## SOFT SKILLS

■ Creativity

■ Teamwork

■ Responsibility

■ Time Management

■ Communication

■ Work Ethics

---

## PROJECTS:

---

- **Online Library System(Python)**

*This project is as an academic project where python language is used with its inbuilt IDE and simply I created an online library system by importing the data from notepad and some basic coding where you can choose the books from the given list with all details.*

*[https://drive.google.com/drive/folders/1fYpNmbz2\\_f8qV9mS9u7fd8lb4kR7OV6B?usp=sharing](https://drive.google.com/drive/folders/1fYpNmbz2_f8qV9mS9u7fd8lb4kR7OV6B?usp=sharing)*

- **Online Pharmacy Store(JAVA)**

*This project is an academic project which is built by using the NetBeans framework of Java where the lists of medicines are extracted from excel and shown in a table. In this project, many functions and classes are used which is very informative.*

- **Website Development(HTML,CSS and JS)**

*This project is an academic project where HTML, CSS, and JS are used to make your portfolio website and a mobile store website for my academic and personal projects.*
